WORK EXPERIENCE

31/12/2017 – CURRENT

WordPress & Flutter Developer

FreeLancer.com // upwork.com

◦ [Reskinning a small webapp](#)

"This dude pushed my project to completion. I was about to declare the project failed and he came through to assist me save it. The project survived thanks to him and his professionalism."

◦ [duplicate a wordpress site](#)

"He was on time and delivered work as expected. will be hiring him again"

◦ [Website design like udemy](#)

"The developer Rajab Abed is creative in the full sense of the word"

◦ [New website design](#)

"Frankly, the tongue is unable to describe continuous communication, ease in dealing with strength, other than understanding the data, mastery and distinction in performance. Receive this special work and speed in accomplishing you very much. God willing, there will be another work between us."

◦ [Design a Call To Action button for website](#)

"Very fast and excellent work. Great communications. I will be happy to work with Rajab again."
